## EXPLANATORY NOTE

This amendment to a report on Form 6-K is being filed by Just Energy Group Inc. to correct a typographical error in the original report on Form 6-K furnished with the Securities and Exchange Commission on July 22, 2020 (the "Original 6-K"). Capitalized terms used and not defined herein shall have the same meanings given in the Original 6-K.

The Original 6-K stated in its fifth paragraph that the number of Offered Shares that an eligible holder of one Preferred Share is entitled to subscribe pursuant to the Offering is 0.059992466. The correct number is 0.59992466.

Therefore, the fifth paragraph of the Original 6-K shall be amended to state the following:

"An eligible holder of one Preferred Share will be entitled to subscribe for 0.59992466 Offered Share at a subscription price of C\$3.412 per Offered Share (which represents approximately C\$0.10 per share on a pre-Consolidation basis). For example, for each 100 Preferred Shares held, an eligible Preferred Share holder will be entitled to subscribe for 59.992466 Offered Shares for a subscription price of C\$204.69. Holders of Preferred Shares will also be required with respect to any subscription as a holder of Preferred Shares to represent that the holder was a holder at the Record Date and covenant not to sell the Preferred Shares until the effective date of the Arrangement."

Other than as expressly set forth above, this amendment does not, and does not purport to, amend, update or restate the information in any other item of the Original 6-K, or reflect any events that have occurred after the Original 6-K was originally furnished.

---
