NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

AGREEMENT

1. Effective Date.

(a) This Agreement shall become effective, and the obligations contained herein shall become binding upon the Company and the Sponsor upon the date that this Agreement has been executed and delivered by (x) the Company and (y) the Sponsor (such date, the “Effective Date”); provided, however, that until the SISP Order is granted, the Company’s sole obligations under this Agreement are those set forth in Sections 6(a), (b), (c), (d), (g), (h) and (j) and 9, and in the event that SISP Order is not granted on or before the applicable Milestone, the Company shall have no obligations hereunder; provided, further, that on the Effective Date, the Plan Support Agreement and the Backstop Commitment Letter shall automatically terminate.

(b) This Agreement shall become effective, and the obligations contained herein shall become binding on Shell (and the reciprocal obligations will become binding on the Company, the Sponsor, and the other Parties), upon the first date (such date, the “Shell Effective Date”) that this Agreement (x) has met the conditions set forth in Section 1(a) and (y) has been executed and delivered by Shell, the Sponsor, and the Company. For the avoidance of doubt, Shell shall have no obligations under Sections 5, 6, and 7. In the event that SISP Order is not granted on or before the applicable Milestone, Shell shall have no obligations hereunder.

(c) This Agreement shall become effective, and the obligations contained herein shall become binding on a Supporting Secured CF Lender (and the reciprocal obligations will become binding on the Company, the Sponsor, and the other Parties), upon the first date (such date, the “Secured CF Effective Date”) that this Agreement (x) has met the conditions set forth in Section 1(a) and (y) has been executed and delivered by such Supporting Secured CF Lender, the Company, the Sponsor, and Shell. In the event that SISP Order is not granted on or before the applicable Milestone (without regard to any extension of such Milestone after the date hereof, unless the Requisite Supporting Secured CF Lenders have consented thereto), the Supporting Secured CF Lenders shall have no obligations hereunder.

2. Exhibits and Schedules Incorporated by Reference. The Stalking Horse Term Sheet and any other exhibits attached to the Stalking Horse Term Sheet or hereto (and any schedules to such exhibits) (collectively, the “Exhibits and Schedules”) are expressly incorporated herein and made a part of this Agreement, and all references to this Agreement shall be deemed to include the Stalking Horse Term Sheet and any other Exhibits and Schedules. In the event of any inconsistency between this Agreement (without reference to the Exhibits and Schedules) and the Exhibits and Schedules, this Agreement (without reference to the Exhibits and Schedules) shall govern. In the case of a conflict of the provisions contained in the text of this Agreement and the Transaction Agreement (when executed and approved by the CCAA Court), the terms of the Transaction Agreement (when executed and approved by the CCAA Court) shall govern (provided that the absence of an approval or consent right in the Transaction Agreement in
favour of the Supporting Secured CF Lenders in respect of a matter will not be considered to be in conflict with and will not limit an approval or consent right of the Supporting Secured CF Lenders in this Agreement).

   (b) act in good faith and take (and cause its agents, representatives, and employees to take) all actions that are reasonably necessary or appropriate, and all actions required by the CCAA Court and/or the US Bankruptcy Court, to support and achieve the consummation of the Transaction and implementation steps provided for or contemplated in the Transaction; *provided* that, subject to the terms of the Definitive Documents and this Agreement, in no circumstance shall there be any obligation to amend, modify, or waive any provision of the Transaction Agreement;

(g) not exercise, or direct any other person to exercise, any right or remedy for

provided, however, for the avoidance of doubt, as set forth above in this Section, the foregoing

of doubt, as set forth above in this Section, the foregoing shall not affect the DIP Lenders’ ability
to take any action permitted under the DIP Term Sheet or in connection with the DIP Financing,
or in connection with the Transaction; and

(i) between the date hereof and the SA Termination Date, provide prompt
written notice to the Just Energy Entities and the other Parties, to the extent known by the Sponsor,

would be reasonably likely to cause (A) any representation or warranty of the Sponsor contained
in this Agreement to be untrue or inaccurate in any material respect, (B) any covenant of the
Sponsor contained in this Agreement not to be satisfied in any material respect, or (C) any
condition precedent contained in this Agreement or a Definitive Document not to occur or become

consent of such party is or may be required as a condition precedent to consummation of the
transactions contemplated by the Transaction.

Notwithstanding the foregoing, nothing in this Agreement shall (i) be construed to
prohibit the Sponsor from appearing as a party-in-interest in any matter to be adjudicated in the
CCAA Proceedings or the Chapter 15 Cases, so long as, from the Effective Date until the
occurrence of the applicable SA Termination Date, such appearance and the positions advocated
in connection therewith are not inconsistent with this Agreement or the Transaction Agreement
and are not for the purpose of hindering, delaying, or preventing the consummation of the
Transaction; (ii) prevent the Sponsor from enforcing this Agreement or the Transaction Agreement
or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this
Agreement or the Transaction Agreement; (iii) affect, modify, or change in any way any right of

(ii) if the US Bankruptcy Court enters an order (a) dismissing any of the Chapter 15 Cases, (b) converting any of the Chapter 15 Cases to a case under chapter 7 of the Bankruptcy Code, or (c) appointing a trustee or an examiner with expanded powers pursuant to Bankruptcy Code section 1104 in any of the Chapter 15 Cases;

(iii) the Just Energy Entities file any motion or any request for relief seeking to (a) dismiss any of the Chapter 15 Cases, (b) convert any of the Chapter 15 Cases to a case under chapter 7 of the Bankruptcy Code, or (c) appoint a trustee or examiner with expanded powers pursuant to Bankruptcy Code section 1104 in any of the Chapter 15 Cases;

(iv) the issuance by any governmental authority, including the CCAA Court or the US Bankruptcy Court, any regulatory authority, or any other court of competent jurisdiction, of any final ruling or Final Order enjoining or otherwise impeding the consummation of the Transaction on the terms and conditions set forth in this Agreement or the Transaction Agreement; provided, however, that Shell shall not have the right to terminate under this clause if the Just Energy Entities are using commercially reasonable efforts to cure, vacate, reserve, set
aside, or have overruled as quickly as possible such final ruling or Final Order to obtain relief that would allow consummation of the Transaction in a manner that (x) does not prevent or diminish in a material way compliance with the terms of this Agreement and (y) is acceptable to Shell;

(v) a material breach by any Just Energy Entity of any representation, warranty, or covenant of such Just Energy Entity set forth in this Agreement that (to the extent curable) remains uncured for a period of ten (10) days after the receipt by the Just Energy Entities of written notice detailing such breach;

(vi) the Just Energy Entities file, propose, or otherwise support any restructuring, sale, or liquidation transaction other than as contemplated by this Agreement or in accordance with the SISP Order (A) that materially and adversely affects the treatment or rights of Shell as compared to the treatment and rights set forth herein and (B) without the consent of Shell;

(vii) an order is entered by the CCAA Court or the US Bankruptcy Court authorizing any party to proceed against any material asset of any of the Just Energy Entities or any assets that would materially and adversely affect the Just Energy Entities’ ability to operate their business in the ordinary course or ability to implement the transactions contemplated in this Agreement or the Transaction Agreement;

(viii) a failure by the Just Energy Entities to pay the fees and expenses of Shell, including but not limited to Shell’s legal, financial, and any other advisors, as and when due pursuant to the terms of any applicable engagement letters and any applicable orders of the CCAA Court or the US Bankruptcy Court;

(ix) the entry of an order by any court of competent jurisdiction granting the relief sought in an involuntary proceeding against any entity constituting the Just Energy Entities seeking bankruptcy, winding up, dissolution, liquidation, administration, moratorium, reorganization, or other relief in respect of any entity comprising the Just Energy Entities or the Just Energy Entities’ debts, or of a substantial part of the Just Energy Entities’ assets, under any federal, state, or foreign bankruptcy, insolvency, administrative, receivership, or similar law now or hereafter in effect (provided that such involuntary proceeding is not dismissed within a period of thirty (30) days after the filing thereof);

(x) if any of the Just Energy Entities (a) consents to the institution of, or fails to contest in a timely and appropriate manner, any involuntary proceeding or petition described above, (b) applies for or consents to the appointment of a receiver, administrator, administrative receiver, trustee, custodian, sequestrator, conservator, or similar official for the Just Energy Entities or for a substantial part of the Just Energy Entities’ assets, (c) files an answer admitting the material allegations of a petition filed against it in any such proceeding, (d) makes a general assignment or arrangement for the benefit of creditors, or (e) takes any corporate action for the purpose of authorizing any of the foregoing;

(xi) upon a filing by any of the Just Energy Entities of any motion, objection, application, or adversary proceeding challenging the validity, enforceability, perfection or priority of, or seeking avoidance, subordination, or characterization of, any portion of Shell’s
or any of its affiliates’ claims against any of the Just Energy Entities, and/or the liens securing any such claims or asserting any other claim or cause of action against and/or with respect to any such claims, liens, Shell, or the agent under any of the relevant facilities (or if any Just Energy Entity files a pleading supporting any such motion, application, or adversary proceeding commenced by any third party);

  (xii) the termination of this Agreement by any Party, other than a Supporting Secured CF Lender;

  (xiii) any default by a Just Energy Entity in the payment of any undisputed post-Filing Date invoice owing to Shell when due and payable, provided that such amount remains unpaid for a period of three (3) days after receipt (or deemed receipt under the applicable underlying agreement) by the Just Energy Entities of written notice detailing such default (the “Cure Period”), which Cure Period is for one-time use only and shall only apply in the case of one such default;

  (xiv) if the Closing of the Transaction has not occurred by January 31, 2023 unless further extended by Shell;

  (xv) upon the Just Energy Entities’ withdrawal, waiver, amendment, or modification, or the filing of (or announced intention to file) a pleading seeking to withdraw, waive, amend, or modify any of the Definitive Documents, including motions, notices, exhibits, appendices, and orders, that is both not consistent in all material respects with this Agreement and not done with the consent of Shell;

  (xvi) the obligations of the Company under the DIP Term Sheet are accelerated or the commitments under the DIP Term Sheet are terminated;

  (xvii) upon the entry of an order by the CCAA Court or the US Bankruptcy Court (other than with respect to any action commenced by the Just Energy Entities against ERCOT) providing relief adverse to the interests of Shell with respect to any of the foregoing claims, causes of action, or proceedings, but excluding preliminary or final relief granting standing to any other party to prosecute such claims, causes of action or proceeding;

  (xviii) subject to the terms of the SISP, the Sponsor is not the successful bidder under the SISP;

  (xix) the Sponsor terminates its obligations under this Agreement or the Transaction Agreement; or

  (xx) a Section 6 Waiver is given by the Sponsor without the consent of Shell, unless such Section 6 Waiver relates exclusively to an obligation of the Just Energy Entities to the Sponsor and such waiver has no direct or indirect materially adverse effect on Shell.

  (e) **Mutual Termination/Automatic Termination.** This Agreement and the obligations of the Parties hereunder may be terminated by mutual written agreement by the Just Energy Entities and the Sponsor. Notwithstanding anything in this Agreement to the contrary, this
Agreement shall terminate automatically in respect of all Parties upon termination by the Company under Section 10(b) or upon Closing.

(f) **Termination Generally.** The earliest date on which termination of this Agreement as to a Party is effective in accordance with this Section 11 or Section 15 shall be referred to, with respect to such Party, as a “SA Termination Date.” Upon the occurrence of a SA Termination Date, the applicable Party’s obligations (as set forth herein) under this Agreement shall be terminated effective immediately, and such Parties or Party hereto shall be released from all commitments, undertakings, and agreements hereunder; provided, that any claim for breach of this Agreement that occurs prior to such SA Termination Date shall survive such termination, and all rights and remedies with respect to such claims shall not be prejudiced in any way. For the avoidance of doubt, the automatic stay arising pursuant to Bankruptcy Code section 362 or the stay of proceedings provided for in the CCAA Proceedings or in other applicable Canadian laws shall be deemed waived or modified for purposes of providing notice or exercising rights hereunder.

11. **Transfers.**

(a) Each of the Parties other than the Just Energy Entities (the “Supporting Creditors”), solely with respect to itself (as expressly identified and limited on its signature page to this Agreement or Joinder Agreement (as defined below), as applicable), shall not sell, transfer, assign, pledge, hypothecate, participate, donate, or otherwise encumber or dispose of, directly or indirectly (including through derivatives, options, swaps, pledges, forward sales, or other transactions in which any Person receives the right to own or acquire any current or future interest in) (each, a “Transfer”), or permit a Transfer of, directly or indirectly, in whole or in part, any of its Claims or, in each case, any option thereon or any right or interest therein or any other claims against the Company (including grant any proxies, deposit any Claims into a voting trust, or enter into a voting agreement with respect to any such Claims), unless the transferee thereof either (i) is a Supporting Creditor or (ii) before or contemporaneously with such Transfer, agrees in writing for the benefit of the Parties to become a Party and to be bound by all of the terms of this Agreement applicable to the Supporting Creditor who is a transferor (such Supporting Creditor, the “Transferor”), by executing a joinder agreement substantially in the form attached hereto as Exhibit F (a “Joinder Agreement”), and delivering an executed copy thereof within two (2) business days after such Transfer to (1) Kirkland & Ellis LLP (“K&E”) and Osler Hoskin Harcourt LLP (“Osler”), counsel to the Just Energy Entities, (2) Akin Gump Strauss Hauer & Feld LLP (“Akin”) and Cassels Brock & Blackwell LLP (“Cassels”), counsel to the Sponsor, and (3) McCarthy Tétrault LLP (“McCarthy”) and Chapman & Cutler LLP (“Chapman”), counsel to the Supporting Secured CF Lenders and the Credit Facility Agent ((1), (2), and (3) the “Transfer Notice Parties”) in which event (x) the transferee shall be deemed to be a Party in the same manner as the Transferor to the extent of such transferred rights and obligations and (y) the Transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of such transferred rights and obligations; provided that failure to deliver such Joinder Agreement on a timely basis shall not by itself affect the applicable Transferor’s or transferee’s obligations under this Agreement with respect to such Claims or render the Transfer void ab initio with respect to such Claims; provided that the failure by the Transferor to comply with the procedures set forth in this Section 11(a) with respect to a Transfer to any entity that, as of the date of such Transfer controls, is controlled by, or is under common control with the Transferor shall
not, without more, constitute a breach of this Agreement if (i) the transferee provides notice of such Transfer to the Transfer Notice Parties (which may be delivered by email) promptly after such Transfer and (ii) the transferee shall be bound by all terms of this Agreement applicable to the Transferor, and deemed to be the Sponsor, Shell, or a Supporting Secured CF Lender, as applicable. To the extent that the Transferor’s Claim or other securities issued by the Company may be loaned (and consequently pledged, hypothecated, encumbered, or rehypothecated by) as part of customary securities lending arrangements (each such arrangement, a “Customary Securities Lending Arrangement”), and such Customary Securities Lending Arrangement does not adversely affect the Transferor’s ability to timely satisfy any of its obligations under this Agreement, such Customary Securities Lending Arrangement shall not be deemed a Transfer hereunder. Each of the Supporting Creditors agrees that any Transfer of any Claims that does not comply with the terms and procedures set forth herein shall be deemed void ab initio, and the Just Energy Entities shall have the right to enforce the voiding of such Transfer. This Agreement shall in no way be construed to preclude any of the Supporting Creditors from acquiring additional Claims against the Just Energy Entities; provided that (i) any such additional Claims automatically shall be subject to all of the terms of this Agreement and (ii) such Supporting Creditor agrees (A) that such additional Claims shall be subject to this Agreement (except as expressly provided below), and (B) to notify the Transfer Notice Parties within three (3) business days following such acquisition of the aggregate amount.

(b) Notwithstanding this Section 11, any Supporting Creditor may Transfer its Claims against the Just Energy Entities to an entity that is acting in its capacity as a Qualified Marketmaker without the requirement that such Qualified Marketmaker execute and deliver a Joinder Agreement in respect of such Claims against the Just Energy Entities or be a Supporting Creditor; provided that such Qualified Marketmaker (i) subsequently Transfers such Claims against the Just Energy Entities to a transferee that is or becomes (by executing and delivering a Joinder Agreement in accordance with this Section 11) a Supporting Creditor at the time of such Transfer within ten (10) calendar days of its acquisition of such Claims, and (ii) if such Qualified Marketmaker fails to comply with its obligations in this Section 11, such Qualified Marketmaker shall be required to, and shall be deemed to be without further action, a Supporting Creditor hereunder solely with respect to such Claims; provided that the Qualified Marketmaker shall automatically, and without further notice or action, no longer be a Supporting Creditor with respect to such Claims at such time that the transferee of such Claims becomes a Supporting Creditor with respect to such Claims. Any Transfer documentation between a transferring Supporting Creditor and the Qualified Marketmaker shall contain a requirement that the Qualified Marketmaker comply with the foregoing, which covenant will be held by the transferor for the benefit of the Just Energy Entities. To the extent any Supporting Creditor is acting in its capacity as a Qualified Marketmaker, it may Transfer any Claims that it acquires from a holder of such Claims that is not a Supporting Creditor without the requirement that the transferee be or become a Supporting Creditor. Notwithstanding anything to the contrary in this Agreement, the restrictions on Transfer

A “Qualified Marketmaker” means an entity that (i) holds itself out to the public or the applicable private markets as standing ready in the ordinary course of business to purchase from customers and sell to customers Claims against the Just Energy Entities (or enter with customers into long and short positions in Claims against the Just Energy Entities), in its capacity as a dealer or market maker in Claims against the Just Energy Entities and (ii) is, in fact, regularly in the business of making a market in claims against issuers or borrowers (including debt securities or other debt).
in this Section 11 shall not apply to the grant of any liens or encumbrances on any Claims in favor of a bank or broker-dealer holding custody of such Claims in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such Claims (which Transfer shall comply with the requirements of this Section 11). Notwithstanding anything to the contrary in this Agreement, the restrictions on Transfer in this Section 11 shall not apply to the credit bidding of the BP Commodity / ISO Services Claim as contemplated by and pursuant to the Stalking Horse Term Sheet and the Transaction Agreement (including any Transfer of such claim in connection therewith).

12. **Definitive Documents; Good Faith Cooperation; Further Assurances.**

Each Party hereby covenants and agrees to cooperate with each other in good faith in connection with, and shall exercise commercially reasonable efforts with respect to, the pursuit, approval, implementation, and consummation of the transactions contemplated by this Agreement as well as the negotiation, drafting, execution, and delivery of the Definitive Documents. Furthermore, subject to the terms hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Parties to carry out the purposes and intent of this Agreement, and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement subject in each case to the terms and conditions of the applicable agreements.

13. **Representations and Warranties.**

(a) Each of the Parties (severally, and not jointly and severally), and in the case of the Just Energy Entities subject to the issuance of the SISP Order, represents and warrants to each other Party that the following statements are true, correct, and complete as of the date hereof (or, if later, the date that such Party first became or becomes a Party):

(i) it is validly existing and in good standing under the laws of the state or province of its incorporation or organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors’ rights generally or by equitable principles relating to enforceability;

(ii) except as expressly provided in this Agreement or otherwise required by the CCAA or the Bankruptcy Code, no material consent or approval of, or any registration or filing with, any governmental authority or regulatory body is required for it to carry out and perform its obligations under this Agreement and the Transaction Agreement;

(iii) it has all requisite organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its obligations under, this Agreement and the Transaction Agreement;

(iv) the execution and delivery by it of this Agreement, and the performance of its obligations hereunder, have been duly authorized by all necessary organizational action on its part;
(v) it has been represented by counsel in connection with this Agreement and the transactions contemplated by this Agreement; and

(vi) the execution, delivery, and performance by such Party of this Agreement does not and will not (x) violate any provision of law, rule, or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar governing documents) or those of any of its subsidiaries, (y) except as the Transaction may constitute a “Change of Control” (as may be defined in the Credit Agreement, the Intercreditor Agreement, and the existing supply agreements with Shell) or any equivalent concept under the Credit Agreement, the Intercreditor Agreement, or the existing supply agreements with Shell, conflict with, result in a breach of, or constitute (with or without notice or lapse of time or both) a default under the Credit Agreement, Intercreditor Agreement or existing supply agreements with Shell, or (z) violate any order, writ, injunction, decree, statute, rule, or regulation.

(b) Each Supporting Secured CF Lender (severally, and not jointly and severally) represents and warrants to the Just Energy Entities that, as of the date hereof (or as of the date such Supporting Secured CF Lender becomes a Party hereto), (i) such Supporting Secured CF Lender is the beneficial owner of (x) the proportion of all Credit Facility Claims equal to the proportion that its commitments under the Credit Agreement represents of all commitments of the Credit Facility Lenders under the Credit Agreement and (y) the Credit Facility LC Claims in respect of the outstanding letters of credit issued by it pursuant to the Credit Agreement as of such date, subject to the reimbursement and indemnity obligations of the other Credit Facility Lenders or Export Development Canada under the Credit Facility Documents, (the claims described in (x) and (y) being collectively, the “Supporting Secured CF Lender Specified Claims”), and (ii) such Supporting Secured CF Lender has (x) sole investment or voting discretion with respect to such Supporting Secured CF Lender Specified Claims, and (y) full power and authority to vote on and consent to matters concerning such Supporting Secured CF Lender Specified Claims or to exchange, assign, and Transfer such Supporting Secured CF Lender Specified Claims.

(c) The Sponsor represents and warrants to the Just Energy Entities that, as of the date hereof, the Sponsor (i) is or, after taking into account the settlement of any pending assignments to which the Sponsor is a party as of the date of this Agreement, will be the owner of the Claims and interests set forth below its name on the signature page hereto and/or (ii) has or, after taking into account the settlement of any pending assignments to which the Sponsor is a party as of the date of this Agreement, will have, with respect to the beneficial owner(s) of such Claims and interests, (x) sole investment or voting discretion with respect to such Claims, and (y) full power and authority to vote on and consent to matters concerning such Claims and interests or to exchange, assign, and Transfer such Claims and interests. Except for such Claims and interests set forth on its signature page, the Sponsor does not own or, with respect to any beneficial owners thereof, have any voting, investment, or other power, with respect to any other Claims or interests against the Just Energy Entities.

(d) The Just Energy Entities represent and warrant that the only ISO Services Obligations (as defined in the Intercreditor Agreement) that were outstanding as of the Filing Date are: (i) Shell Energy ISO Reimbursement Obligations (as defined in the Intercreditor Agreement) in the aggregate amount of approximately USD$3.3 million, calculated on a gross basis (which was netted against approximately USD$11.1 million of an independent systems operator services
receivable owed by Shell to the Just Energy Entities); and (ii) the applicable amount of the BP Commodity / ISO Services Claim.

14. **Amendments.** Except as otherwise expressly set forth herein, this Agreement (including any Exhibits and Schedules) may not be waived, modified, amended, or supplemented except in a writing signed by the Just Energy Entities and the Sponsor; provided further that any waiver, modification, amendment, or supplement that (w) adversely and disproportionately impacts the treatment or rights of any Supporting Secured CF Lender with respect to its Credit Facility Claims, Credit Facility LC Claims, Commodity Supplier Claims or Cash Management Obligations as compared to the treatment or rights of any other Supporting Secured CF Lender shall require the consent of such adversely and disproportionately impacted Supporting Secured CF Lender, (x) amends the rights or obligations, or adversely impacts the treatment or interests of, Shell or the Supporting Secured CF Lenders under or as contemplated by this Agreement (including the Exhibits and Schedules) shall require the consent of any such Party, (y) relates to the Transaction Agreement, the New Credit Agreement or the New Intercreditor Agreement shall require the consent of the Supporting Secured CF Lenders, or (z) except as otherwise provided in, or envisioned by, this Agreement as of the Shell Effective Date, or the Secured CF Effective Date, as applicable, requires Shell, any Supporting Secured CF Lender or the Credit Facility Agent to incur any expenses, liabilities, or other obligations, or agree to any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities, or other obligations, shall require the consent of the impacted Party; provided further that in the case of either (x) or (y), in the event that any such Supporting Creditor whose consent is required does not consent to such waiver, change, modification, or amendment (a “Non-Supporting Creditor”), this Agreement may be terminated by such Non-Supporting Creditor (as applicable to it) upon written notice to the other Parties, but this Agreement shall continue in full force and effect in respect to all other Supporting Creditors whose consent is not required or whose consent is required and was provided.

15. **Governing Law; Jurisdiction; Waiver of Jury Trial.**

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the Province of Ontario and the federal laws of Canada applicable therein, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit, or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the CCAA Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the CCAA Court and, if the CCAA Court does not have (or abstains from) jurisdiction, Courts of the Province of Ontario, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim, or otherwise, in any proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim, or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the CCAA Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such
court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and (iii) that (x) the proceeding in such court is brought in an inconvenient forum, (y) the venue of such proceeding is improper, or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT, OR ANY OTHER THEORY). EACH PARTY (i) CERTIFIES THAT NO REPRESENTATIVE, AGENT, OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

16. Specific Performance/Remedies. The Parties understand and agree that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys’ fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy. Each Party hereby waives any requirement for the security or posting of any bond in connection with such remedies.

17. Survival. Notwithstanding the termination of this Agreement pursuant to Section 10 hereof, Sections 10(f) and 14-28 shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

18. Headings. The headings of the sections, paragraphs, and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

19. Successors and Assigns; Third Parties. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators, and representatives. There are no third-party beneficiaries under this Agreement and, except as set forth in Section 11, the rights or obligations of any Party under this Agreement may not be assigned, delegated, or transferred to any other Person.

20. Relationship Among Parties. Notwithstanding anything herein to the contrary, the duties and obligations of the Supporting Creditors under this Agreement shall be several, not joint and several. None of the Supporting Creditors shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities to each other, the Just Energy Entities, or any of the Just Energy Entities’ creditors, stockholders, or other stakeholders, and there are no commitments among or between the Supporting Secured CF Lenders, Shell, and/or the Sponsor. It is understood and agreed that any Supporting Creditor may trade in any
debt or equity securities of the Just Energy Entities without the consent of any other Party, subject to applicable securities laws and the terms of Section 11 of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. The Parties have no agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any equity securities of the Just Energy Entities and do not constitute a “group” within the meaning of Rule 13d-5 under the Securities Act of 1933, as amended. The Just Energy Entities understand that each of the Supporting Creditors are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Just Energy Entities acknowledge and agree that the obligations set forth in this Agreement (including Section 11 hereof) shall only apply to the trading desk(s) and/or business group(s) that principally manage and/or supervise such Supporting Creditor’s investment in and relations with the Just Energy Entities and shall not apply to any other trading desk, business group, or affiliate of such Supporting Creditor so long as they are not acting at the direction or for the benefit of such Supporting Creditor and so long as confidentiality is maintained consistent with any applicable confidentiality agreement.

21. Prior Negotiations; Entire Agreement. This Agreement, including the Exhibits and Schedules (including the Stalking Horse Term Sheet), constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof.

22. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement delivered by facsimile or PDF shall be deemed to be an original for the purposes of this paragraph.

In addition, this Agreement does not constitute an offer to issue or sell securities to any Person, or the solicitation of an offer to acquire or buy securities, in any jurisdiction where such offer or solicitation would be unlawful.

25. **Severability.** If any provision of this Agreement, or the application of any such provision to any Person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party.

26. **Interpretation; Rules of Construction; Representation by Counsel.** When a reference is made in this Agreement to a Section, Exhibit, or Schedule, such reference shall be to a Section, Exhibit, or Schedule, respectively, of or attached to this Agreement unless otherwise indicated. Regulator Notices, promptly notify the other Party of the substance of such communication; (iv) subject to Applicable Laws relating to the exchange of information, provide each other with a reasonable advance opportunity to review and comment upon and consider in good faith the views of the other in connection with all written communications (including any filings, notifications, submissions, analyses, presentations, memoranda, briefs, arguments, opinions and proposals) made or submitted by or on behalf of a Party with a Governmental Authority regarding the Transaction Regulatory Approvals or Energy Regulator Notices as applicable; and (v) promptly provide each other with copies of all written communications to or from any Governmental Authority relating to the Transaction Regulatory Approvals and Energy Regulator Notices as applicable.

(f) The obligations of either Party to use its commercially reasonable efforts to obtain the Transaction Regulatory Approvals does not require either Party (or any Affiliate thereof) to undertake any divestiture of any business or business segment of such Party, to agree to any material operating restrictions related thereto or to incur any material expenditure(s) related therewith, unless agreed to by the Parties. In connection with obtaining the Transaction Regulatory Approvals, no Just Energy Entity shall agree to any of the foregoing items without the prior written consent of the Purchaser.

It is accordingly agreed that the Parties shall be entitled to seek specific performance, injunctive and other equitable relief to prevent breaches or threatened breaches of this Agreement, and to enforce compliance with the terms of this Agreement, without any requirement for the securing or posting of any bond in connection with the obtaining of any such specific performance, injunctive or

Form of Release

(see attached)
RELEASE AGREEMENT

This Release Agreement (this “Release Agreement”) is made and entered into as of [●], 2022 (the “Effective Date”) by each of the Releasing Parties (as defined herein) in favor of the Released Parties (as defined herein).

WHEREAS, on [●], 2022 (the “Closing Date”), pursuant to that certain Transaction Agreement, dated as of August 4, 2022 (together with all exhibits and schedules attached thereto, and as amended, supplemented, or otherwise modified from time to time, the “Transaction Agreement”), by and between Just Energy Group Inc. (“JEGI”) and the Purchaser, upon the consummation of the Closing, concurrently with the effectiveness of this Release Agreement and after the completion of the Implementation Steps, all of the Releasing Parties are now owned, directly or indirectly, by Just Energy (U.S.) Corp; and

WHEREAS, the Releasing Parties desire to effectuate the release provision set forth in Article 7.9 of the Transaction Agreement, all as more fully set forth herein.

NOW, THEREFORE, in consideration of the above recitals and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Releasing Parties hereby agree as follows:

1. Defined Terms.

(a) The terms defined in the recitals hereto shall have the meanings set forth therein.

(b) The following terms have the following meanings:

“Causes of Action” means any action, claim, cross-claim, third-party claim, damage, judgment, cause of action, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, interest, guaranty, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, matured or unmatured, suspected or unsuspected, in contract or in tort, at law or in equity, or pursuant to any other theory of law or otherwise, of the Just Energy Entities against any Person, in each case based in whole or in part on any act or omission, transaction, dealing, or other occurrence existing or taking place on or prior to the Closing Time.

“Final Order” means with respect to any order or judgment of the CCAA Court or the U.S. Bankruptcy Court, or any other court of competent jurisdiction, with respect to the subject matter addressed in the CCAA Proceedings or the Chapter 15 Cases or the docket of any court of competent jurisdiction, that such order or judgement has not been vacated, set aside, reversed, stayed, modified, or amended, and as to which the applicable periods to appeal, or seek certiorari or move for a new trial, reargument, or rehearing, has expired and no appeal, leave to appeal, or

1 Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Transaction Agreement.
petition for certiorari or other proceedings for a new trial, reargument, or rehearing has been timely taken or filed, or as to which any appeal has been taken or any petition for certiorari or leave to appeal that has been timely filed has been withdrawn or resolved in a manner acceptable to the Company and the Purchaser, each acting reasonably, by the highest court to which the order or judgment was appealed or from which leave to appeal or certiorari was sought or the new trial, reargument, or rehearing shall have been denied, resulted in no modification of such order, or has otherwise been dismissed with prejudice; provided, however, that the possibility that a motion under Rule 60 of the United States Federal Rules of Civil Procedure, or any analogous rule under the Federal Rules of Bankruptcy Procedure, may be filed relating to such order shall not cause such order to not be a Final Order.

“Released Causes of Action” means the Causes of Action irrevocably and unconditionally waived, released, and discharged by the Releasing Parties pursuant to Section 2 of this Release Agreement.

“Released Parties” means, collectively, (a) all current and former officers, directors, partners, limited partners, employees, agents, financial and legal advisors of each of the Releasing Parties and (b) the respective successors and assigns of each individual or entity in clause (a).

2. **Releases.**

(a) Each Releasing Party hereby irrevocably and unconditionally waives, releases, and discharges each Released Party from any and all actual or potential Causes of Action against the Released Parties; provided, however, that, with respect to each Released Party, the foregoing provision shall not waive or release Causes of Action related to any act or omission by such Released Party that is determined in a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence; provided, further, that in all respects such Released Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their applicable duties and responsibilities.
(b) Each Releasing Party understands, acknowledges, and agrees that the releases provided for herein are full and final general releases of all Released Causes of Action, including those that could have been asserted in any legal or equitable proceeding against the Released Parties. Each Releasing Party hereby irrevocably covenants to refrain from, directly or indirectly, asserting any Released Cause of Action, or commencing, instituting, or causing to be commenced any action, suit, or proceeding of any kind, against any Released Party, or against any other person, corporation, or entity which might claim over or against any Released Party, based upon any Released Cause of Action. Each Releasing Party further agrees that in the event such Releasing Party should bring a Released Cause of Action against any Released Party or any such other person, corporation, or entity, this Release Agreement shall serve as a complete defense to such Cause of Action.

(c) Each Releasing Party has read Section 1542 of the Civil Code of the State of California (“Section 1542”), which provides as follows: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR. Each Releasing Party understands that Section 1542, or a comparable statute, rule, regulation, or order of another jurisdiction, gives such Releasing Party the right not to release existing Causes of Action of which such Releasing Party is not aware, unless such Releasing Party voluntarily chooses to waive this right. Having been so apprised, each Releasing Party nevertheless hereby voluntarily elects to and does waive the rights described in Section 1542, and all such other comparable statutes, rules, regulations, or orders, and elects to assume all risks for Causes of Action that exist, existed, or may hereafter exist in its favor, known or unknown, suspected or unsuspected, arising out of or related to Causes of Action or other matters purported to be released pursuant to this Release Agreement.

3. **Severability.** Any term or provision of this Release Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions hereof or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction.

4. **Waivers.** No waiver of any of the terms or provisions of this Release Agreement shall be binding against any Released Party hereto unless such waiver is in a writing signed by such Released Party.

5. **No Assignment.** This Release Agreement shall be binding upon the Releasing Parties and inure to the sole benefit of the Released Parties. No Releasing Party hereto may assign any of its obligations under this Release Agreement. Any assignment in violation of this Section 5 shall be null and void ab initio.

6. **Governing Law.** This Release Agreement shall be governed by and construed in accordance with the laws of [●], without giving effect to principles of choice of law. Any action, suit, or proceeding arising out of or related to this Release Agreement shall be brought and maintained exclusively in the state and federal courts in [●], and each Releasing Party irrevocably and unconditionally: (a) submits to the personal jurisdiction of those courts for purposes of, and waives any defense of venue or inconvenient forum in, any such action, suit, or proceeding in those
courts; (b) expressly waives any requirement for the posting of a bond by a party bringing such action, suit, or proceeding; (c) consents to process being served in any such action, suit, or proceeding by mailing, certified mail, return receipt requested, a copy thereof to such party at the address in effect for notices set forth on the signature pages hereto, and agrees that such service shall constitute good and sufficient service of process and notice thereof; provided that nothing in clause (c) hereof shall affect or limit any right to serve process in any other manner permitted by law, and (d) WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY SUCH ACTION, SUIT, OR PROCEEDING.

7. Counterparts. This Release Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Release Agreement, each individual executing this Release Agreement on behalf of a Releasing Party has been duly authorized and empowered to execute and deliver this Release Agreement on behalf of said Releasing Party.

[Remainder of page intentionally left blank.]
IN WITNESS WHEREOF, the Releasing Parties have executed this Release Agreement on the day and year first above written.

(“Just Energy”) and the other entities composing the “Just Energy Entities” (as defined below). The Transaction shall serve as a stalking-horse bid in a sale and investment solicitation process to be commenced in the Just Energy Entities’ CCAA (as defined below) proceedings, as described herein. The Transaction will be implemented pursuant to: (i) a transaction agreement (the “Transaction Agreement”) to be approved pursuant to an approval and vesting order (the “Vesting Order”) granted by the Ontario Superior Court of Justice (Commercial List) in the proceedings commenced by Just Energy and certain of the Just Energy Entities under the Companies’ Creditors Arrangement Act (as amended, the “CCAA”) on March 9, 2021 (the “Filing Date”), with such Vesting Order to be recognized and enforced by the United States Bankruptcy Court for the Southern District of Texas, Houston Division in the cases commenced by the foreign representative for certain of the Just Energy Entities under chapter 15 of title 11 of the United States Code on the Filing Date; and (ii) the Support Agreement dated August 4, 2022, by and among the Just Energy Entities, the Sponsor, and the other parties signatory thereto (as amended, supplemented, or otherwise modified from time to time, the “Support Agreement”). THIS TERM SHEET DOES NOT PURPORT TO SUMMARIZE ALL OF THE TERMS, CONDITIONS, REPRESENTATIONS, WARRANTIES, AND OTHER PROVISIONS WITH RESPECT TO THE TRANSACTIONS DESCRIBED HEREIN, WHICH TRANSACTIONS WILL BE SUBJECT TO THE COMPLETION OF DEFINITIVE DOCUMENTS CONSISTENT WITH THE TERMS SET FORTH HEREIN. THE CLOSING OF ANY TRANSACTION WILL BE SUBJECT TO THE TERMS AND CONDITIONS SET FORTH IN SUCH DEFINITIVE DOCUMENTS. EXCEPT AS SET FORTH IN THE SUPPORT AGREEMENT AND THE TRANSACTION AGREEMENT, NO BINDING OBLIGATIONS WILL BE CREATED BY THIS TERM SHEET UNLESS AND UNTIL BINDING DEFINITIVE DOCUMENTS ARE EXECUTED AND DELIVERED BY ALL APPLICABLE PARTIES.

- The Just Energy Entities shall assign and transfer the Excluded Liabilities and Excluded Assets to one or more entities (each, a “Residual Co.”) to be organized by Just Energy prior to Closing, each of which shall have no issued and outstanding shares and which shall become an applicant in the CCAA proceedings as of the Closing, and pursuant to the Transaction Agreement and the Vesting Order (i) none of Sponsor, nor any of the Just Energy Entities shall have any liability with respect to any of the Excluded Liabilities from and after Closing and (ii) the Excluded Liabilities and Excluded Assets shall be vested in the applicable Residual Co. as of the Closing; and
- The applicable Just Energy Entities shall continue to be liable for the Assumed Liabilities (as defined below) from and after Closing.

| **Purchase Price** | The consideration to be paid by the Sponsor under the Transaction Agreement for the newly issued shares of JEUS shall consist of the following (collectively, the “Purchase Price”):

(i) USD$184,857,692.31 in cash, plus up to an additional CAD$10 million solely in the event and to the extent additional funds (taking into account the Cash Purchase Price, the aggregate amount of cash held by the Just Energy Entities as of the Closing Date and the Credit Facility Remaining Debt) are required to pay all amounts to be paid by the Just Energy Entities pursuant to the Transaction Agreement and the Vesting Order;

(ii) A credit bid of the BP Commodity/ISO Services Claim (including interest thereon through the Closing); and

(iii) The retention of the Assumed Liabilities pursuant to the terms of the Transaction Agreement. |

Notwithstanding the foregoing, nothing in the Transaction Agreement shall be read to extend or shall be interpreted as extending or amending the Claims Bar Date or give or shall be interpreted as giving any rights to any Person in respect of Claims that have been barred or extinguished pursuant to the Claims Procedure Order.

| Excluded Liabilities | All liabilities, other than Assumed Liabilities, shall be “Excluded Liabilities”.  
On the Closing Date, pursuant to the terms of the Transaction Agreement and the Vesting Order, the Just Energy Entities shall assign and transfer the Excluded Liabilities to the applicable Residual Co. and each Residual Co. shall assume the applicable Excluded Liabilities. All claims in respect of the Excluded Liabilities will continue to exist against the applicable Residual Co. and none of the Sponsor nor the Just Energy Entities shall have any liability for any of the Excluded Liabilities and all of the Excluded Liabilities shall be discharged from the Just Energy Entities as of the Closing, pursuant to the Vesting Order. |

For certainty, (a) any repayment made pursuant to this clause (i) will not permanently reduce the Commitments of the Lenders under the Revolving Facilities or the Maximum Facility Amount; and (b) to the extent there are no Advances outstanding under the Revolving

Sale and Investment Solicitation Process

1. On August 17, 2022, the Ontario Superior Court of Justice (Commercial List) (the “Court”) granted an order (the “SISP Order”) that, among other things, (a) authorized Just Energy (as defined below) to implement a sale and investment solicitation process (“SISP”) in accordance with the terms hereof, (b) approved the Support Agreement, (c) authorized and directed Just Energy Group Inc. to enter into the Stalking Horse Transaction Agreement, (d) approved the Break-Up Fee, and (e) granted the Bid Protections Charge. Capitalized terms that are not defined herein have the meanings ascribed thereto in the Second Amended & Restated Initial Order granted by the Court in Just Energy’s proceedings under the Companies’ Creditors Arrangement Act on May 26, 2021, as amended, restated or supplemented from time to time or the SISP Order, as applicable.

2. This SISP sets out the manner in which (i) binding bids for executable transaction alternatives that are superior to the sale transaction to be provided for in the Stalking Horse Transaction Agreement involving the shares and/or the business and assets of Just Energy Group Inc. and its direct and indirect subsidiaries (collectively, “Just Energy”) will be solicited from interested parties, (ii) any such bids received will be addressed, (iii) any Successful Bid (as defined below) will be selected, and (iv) Court (as defined below) approval of any Successful Bid will be sought. Such transaction alternatives may include, among other things, a sale of some or all of Just Energy’s shares, assets and/or business and/or an investment in Just Energy, each of which shall be subject to all terms set forth in this SISP.

3. The SISP shall be conducted by Just Energy under the oversight of FTI Consulting Canada Inc., in its capacity as court-appointed monitor (the “Monitor”), with the assistance of BMO Capital Markets (the “Financial Advisor”).

4. Parties who wish to have their bids considered shall be expected to participate in the SISP as conducted by Just Energy and the Financial Advisor.

5. The SISP will be conducted such that Just Energy and the Financial Advisor will (under the oversight of the Monitor):

   a) prepare marketing materials and a process letter;
   b) prepare and provide applicable parties with access to a data room containing diligence information;
   c) solicit interest from parties to enter into non-disclosure agreements (parties shall only obtain access to the data room and be permitted to participate in the SISP if they execute a non-disclosure agreement that is in form and substance satisfactory to Just Energy); and
   d) request that such parties (other than the Sponsor or its designee) submit (i) a notice of intent to bid that identifies the potential purchaser and a general description of the assets and/or business(es) of the Just Energy Entities that would be the subject of the bid and that reflects a reasonably likely prospect of culminating in a Qualified Bid (as defined below), as determined by the Just Energy Entities in consultation with the Monitor and the Credit Facility Agent (subject to the confidentiality requirements set forth in Section 15 below) (a “NOI”) by the NOI Deadline (as defined below) and, if applicable, (ii) a binding offer meeting at least the requirements set forth in Section 7 below, as determined by the Just Energy Entities in consultation with the Monitor (a “Qualified Bid”) by the Qualified Bid Deadline (as defined below).
6. The SISP shall be conducted subject to the terms hereof and the following key milestones:

a) Just Energy to commence solicitation process on the date of service of the motion for approval of the SISP – August 4, 2022;¹
b) Court approval of SISP and authorizing Just Energy to enter into the Stalking Horse Transaction Agreement – August 17, 2022;
c) Deadline to submit NOI – 11:59 p.m. Eastern Daylight Time on August 25, 2022 (the “NOI Deadline”);
d) Deadline to submit a Qualified Bid – 11:59 p.m. Eastern Daylight Time on September 29, 2022 (the “Qualified Bid Deadline”);
e) Deadline to determine whether a bid is a Qualified Bid and, if applicable, to notify those parties who submitted a Qualified Bid of the Auction (as defined below) – 5:00 p.m. Eastern Daylight Time on October 6, 2022;
f) Just Energy to hold Auction (if applicable) – 10:00 a.m. Eastern Daylight Time on October 8, 2022; and

g) Implementation Order (as defined below) hearing:
   o (if no NOI is submitted) – by no later than September 2, 2022, subject to Court availability.
   o (if there is no Auction) – by no later than October 15, 2022, subject to Court availability.
   o (if there is an Auction) – by no later than twelve (12) days after completion of the Auction, subject to Court availability.

7. In order to constitute a Qualified Bid, a bid must comply with the following:

a. it provides for (i) the payment in full in cash on closing of the BP Commodity/ISO Services Claim (as defined in the Support Agreement), unless otherwise agreed to by the holder of such claim in its sole discretion; (ii) the payment in full in cash on closing of the Credit Facility Claims, unless otherwise agreed to by the Credit Facility Agent in its sole discretion; (iii) the payment in full in cash on closing of any claims ranking in priority to the claims set forth in subparagraphs (i) or (ii) including any claims secured by Court-ordered charges, unless otherwise agreed to by the applicable holders thereof in their sole discretion (iv) the return of all outstanding letters of credit and release of all Credit Facility LC Claims or arrangements satisfactory to the applicable Credit Facility Lenders in their discretion to secure with cash collateral or otherwise any Credit Facility LC Claims not released, and (v) the payment in full in cash on closing of any outstanding Cash Management Obligations or arrangements satisfactory to the applicable Credit Facility Lenders or their affiliates to secure with cash collateral or otherwise any outstanding Cash Management Obligations.

b. it provides a detailed sources and uses schedule that identifies, with specificity, the amount of cash consideration (the “Cash Consideration Value”) and any assumptions that could reduce the net consideration payable. At a minimum, the Cash Consideration Value plus Just Energy’s cash on hand must be sufficient for payment in full of the items contemplated in Sections 7(a)(i) and 7(a)(ii) herein, 3.2 of the Stalking Horse Transaction Agreement and the Break-Up Fee, plus USD$1,000,000, on closing, which Cash Consideration Value is estimated to be USD$460,000,000 as of December 31, 2022.

¹ To the extent any dates would fall on a non-business day, to be the first business day thereafter.
c. it is reasonably capable of being consummated by 90 days after completion of the Auction if selected as the Successful Bid;

d. it contains:
   i. duly executed binding transaction document(s);
   ii. the legal name and identity (including jurisdiction of existence) and contact information of the bidder, full disclosure of its direct and indirect principals, and the name(s) of its controlling equityholder(s);
   iii. a redline to the form of transaction document(s) provided by Just Energy, if applicable;
   iv. evidence of authorization and approval from the bidder’s board of directors (or comparable governing body) and, if necessary to complete the transaction, the bidder’s equityholder(s);
   v. disclosure of any connections or agreements with Just Energy or any of its affiliates, any known, potential, prospective bidder, or any officer, manager, director, or known equity security holder of Just Energy or any of its affiliates; and
   vi. such other information reasonably requested by Just Energy or the Monitor;

e. it includes a letter stating that the bid is submitted in good faith, is binding and is irrevocable until the selection of the Successful Bid; provided, however, that if such bid is selected as the Successful Bid, it shall remain irrevocable until the closing of the Successful Bid;

f. it provides written evidence of a bidder’s ability to fully fund and consummate the transaction and satisfy its obligations under the transaction documents, including binding equity/debt commitment letters and/or guarantees covering the full value of all cash consideration and the additional items (in scope and amount) covered by the guarantees provided by affiliates of the Purchaser in connection with the Transaction Agreement;

g. it does not include any request for or entitlement to any break fee, expense reimbursement or similar type of payment;

h. it is not conditional upon:
   i. approval from the bidder’s board of directors (or comparable governing body) or equityholder(s);
   ii. the outcome of any due diligence by the bidder; or
   iii. the bidder obtaining financing;

i. it includes an acknowledgment and representation that the bidder has had an opportunity to conduct any and all required due diligence prior to making its bid;

j. it specifies any regulatory or other third-party approvals the party anticipates would be required to complete the transaction (including the anticipated timing necessary to obtain such approvals) and, in connection therewith, specifies whether the bidder or any of its affiliates is involved in any part of the energy sector, including an electric utility, retail service provider, a company with a tariff on file with the Federal Energy Regulatory Commission, or any intermediate holding company;

k. it includes full details of the bidder’s intended treatment of Just Energy’s employees under the proposed bid;

l. it is accompanied by a cash deposit (the “Deposit”) by wire transfer of immediately available funds equal to 10% of the Cash Consideration Value, which Deposit shall be retained by the Monitor in a non-interest bearing trust account in accordance with this SISP;

m. a statement that the bidder will bear its own costs and expenses (including legal and advisor fees) in connection with the proposed transaction, and by submitting its bid is agreeing to refrain from and waive any assertion or request for reimbursement on any basis; and

n. it is received by the Qualified Bid Deadline.
8. The Qualified Bid Deadline may be extended by (i) Just Energy for up to no longer than seven days with the consent of the Monitor, the Credit Facility Agent and the Sponsor, acting reasonably, or (ii) further order of the Court. In such circumstances, the milestones contained in Subsections 6(f) and (g) shall be extended by the same amount of time.

9. Just Energy, in consultation with the Monitor, may waive compliance with any one or more of the requirements specified in Section 7 above and deem a non-compliant bid to be a Qualified Bid, provided that Just Energy shall not waive compliance with the requirements specified in Subsections 7(a), (b), (e), (g), (h), (j) or (l) without the prior written consent of the Sponsor and Credit Facility Agent, each acting reasonably.

10. Notwithstanding the requirements specified in Section 7 above, the transactions contemplated by the Stalking Horse Transaction Agreement (the “Stalking Horse Transaction”), is deemed to be a Qualified Bid, provided that, for greater certainty, no Deposit shall be required to be submitted in connection with the Stalking Horse Transaction.

11. If one or more Qualified Bids (other than the Stalking Horse Transaction) has been received by Just Energy on or before the Qualified Bid Deadline, Just Energy shall proceed with an auction process to determine the successful bid(s) (the “Auction”), which Auction shall be administered in accordance with Schedule “A” hereto. The successful bid(s) selected within the Auction shall constitute the “Successful Bid”. Fortwith upon determining to proceed with an Auction, Just Energy shall provide written notice to each party that submitted a Qualified Bid (including the Stalking Horse Transaction), along with copies of all Qualified Bids and a statement by Just Energy specifying which Qualified Bid is the leading bid.

12. If, by the NOI Deadline no NOI has been received, then the SISP shall be deemed to be terminated and the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Transaction Agreement. If no Qualified Bid (other than the Stalking Horse Transaction) has been received by Just Energy on or before the Qualified Bid Deadline, then the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Transaction Agreement.

13. Following selection of a Successful Bid, Just Energy, with the assistance of its advisors, shall seek to finalize any remaining necessary definitive agreement(s) with respect to the Successful Bid in accordance with the key milestones set out in Section 6. Once the necessary definitive agreement(s) with respect to a Successful Bid have been finalized, as determined by Just Energy, in consultation with the Monitor, Just Energy shall apply to the Court for an order or orders approving such Successful Bid and/or the mechanics to authorize Just Energy to complete the transactions contemplated thereby, as applicable, and authorizing Just Energy to (i) enter into any and all necessary agreements and related documentation with respect to the Successful Bid, (ii) undertake such other actions as may be necessary to give effect to such Successful Bid, and (iii) implement the transaction(s) contemplated in such Successful Bid (each, an “Implementation Order”).

14. All Deposits shall be retained by the Monitor in a non-interest bearing trust account. If a Successful Bid is selected and an Implementation Order authorizing the consummation of the transaction contemplated thereunder is granted, any Deposit paid in connection with such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid,
will be returned to the applicable bidder as soon as reasonably practicable (but not later than ten (10) business days) after the date upon which the Successful Bid is approved pursuant to an Implementation Order or such earlier date as may be determined by Just Energy, in consultation with the Monitor.

15. Just Energy shall provide information in respect of the SISP to the DIP Lenders, the holder of the BP Commodity/ISO Services Claim and the Supporting Secured CF Lenders on a confidential basis, including (A) copies (or if not provided to the Just Energy Entities in writing, a detailed description) of any NOI and any bid received, including any Qualified Bid, no later than one (1) calendar day following receipt thereof by the Just Energy Entities or their advisors and (B) such other information as reasonably requested by the DIP Lenders’, the holder of the BP Commodity/ISO Services Claim or the Supporting Secured CF Lenders’ respective legal counsel or financial advisors or as necessary to keep the DIP Lenders, the holder of the BP Commodity/ISO Services Claim or the Supporting Secured CF Lenders informed no later than one (1) calendar day after any such request or any material change to the terms of any bid received, including any Qualified Bid, as to the terms of any bid, including any Qualified Bid, (including any changes to the proposed terms thereof) and the status and substance of discussions related thereto. Just Energy shall be permitted, in its discretion, to provide general updates and information in respect of the SISP to counsel to any unsecured creditor of Just Energy (a “General Unsecured Creditor”) on a confidential basis, upon: (i) the irrevocable confirmation in writing from such counsel that the applicable General Unsecured Creditor will not submit any NOI or bid in the SISP, and (ii) counsel to such General Unsecured Creditor executing confidentiality agreements with Just Energy, in form and substance satisfactory to Just Energy and the Monitor.

16. Any amendments to this SISP may only be made by Just Energy with the written consent of the Monitor and after consultation with the Credit Facility Agent, or by further order of the Court, provided that Just Energy shall not amend Subsections 7(a), (b), (e), (f), (g), (h), (j) or (l) or Section 15 without the prior written consent of the Sponsor and the Credit Facility Agent.
**SCHEDULE “A”: AUCTION PROCEDURES**

1. **Auction.** If Just Energy receives at least one Qualified Bid (other than the Stalking Horse Transaction), Just Energy will conduct and administer the Auction in accordance with the terms of the SISP. Instructions to participate in the Auction, which will take place via video conferencing, will be provided to Qualified Parties (as defined below) not less than 24 hours prior to the Auction.

2. **Participation.** Only parties that provided a Qualified Bid by the Qualified Bid Deadline, including the Stalking Horse Transaction (collectively, the “Qualified Parties”), shall be eligible to participate in the Auction. No later than 5:00 p.m. Eastern Daylight Time on the day prior to the Auction, each Qualified Party (other than the Sponsor) must inform Just Energy whether it intends to participate in the Auction. Just Energy will promptly thereafter inform in writing each Qualified Party who has expressed its intent to participate in the Auction of the identity of all other Qualified Parties that have indicated their intent to participate in the Auction. If no Qualified Party provides such expression of intent, the Stalking Horse Transaction shall be the Successful Bid.

3. **Auction Procedures.** The Auction shall be governed by the following procedures:

   a. **Attendance.** Only Just Energy, the other counterparties to the Support Agreement, the Qualified Parties, the Monitor and each of their respective advisors will be entitled to attend the Auction, and only the Qualified Parties will be entitled to make any subsequent Overbids (as defined below) at the Auction;

   b. **No Collusion.** Each Qualified Party participating at the Auction shall be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the Auction and the bid process; and (ii) its bid is a good-faith *bona fide* offer and it intends to consummate the proposed transaction if selected as the Successful Bid (as defined below);

   c. **Minimum Overbid.** The Auction shall begin with the Qualified Bid that represents the highest or otherwise best Qualified Bid as determined by Just Energy, in consultation with the Monitor (the “Initial Bid”), and any bid made at the Auction by a Qualified Party subsequent to Just Energy’s announcement of the Initial Bid (each, an “Overbid”), must proceed in minimum additional cash increments of USD$1,000,000;

   d. **Bidding Disclosure.** The Auction shall be conducted such that all bids will be made and received in one group video-conference, on an open basis, and all Qualified Parties will be entitled to be present for all bidding with the understanding that the true identity of each Qualified Party will be fully disclosed to all other Qualified Parties and that all material terms of each subsequent bid will be fully disclosed to all other Qualified Parties throughout the entire Auction; provided, however, that Just Energy, in its discretion, may establish separate video conference rooms to permit interim discussions between Just Energy and individual Qualified Parties with the understanding that all formal bids will be delivered in one group video conference, on an open basis;

   e. **Bidding Conclusion.** The Auction shall continue in one or more rounds and will conclude after each participating Qualified Party has had the opportunity to submit one or more additional bids with full knowledge and written confirmation of the then-existing highest bid(s); and
f. **No Post-Auction Bids.** No bids will be considered for any purpose after the Auction has concluded.

**Selection of Successful Bid**

4. **Selection.** Before the conclusion of the Auction, Just Energy, in consultation with the Monitor, will: (a) review each Qualified Bid, considering the factors set out in Section 7 of the SISP and, among other things, (i) the amount of consideration being offered and, if applicable, the proposed form, composition and allocation of same, (ii) the value of any assumption of liabilities or waiver of liabilities not otherwise accounted for in prong (i) above; (iii) the likelihood of the Qualified Party’s ability to close a transaction by 90 days after completion of the Auction and the timing thereof (including factors such as the transaction structure and execution risk, including conditions to, timing of, and certainty of closing; termination provisions; availability of financing and financial wherewithal to meet all commitments; and required governmental or other approvals), (iv) the likelihood of the Court’s approval of the Successful Bid, (v) the net benefit to Just Energy and (vi) any other factors Just Energy may, consistent with its fiduciary duties, reasonably deem relevant; and (b) identify the highest or otherwise best bid received at the Auction (the “Successful Bid” and the Qualified Party making such bid, the “Successful Party”).

5. **Acknowledgement.** The Successful Party shall complete and execute all agreements, contracts, instruments or other documents evidencing and containing the terms and conditions upon which the Successful Bid was made within one business day of the Successful Bid being selected as such, unless extended by Just Energy in its sole discretion, subject to the milestones set forth in Section 6 of the SISP.

Sponsor all human resources and payroll information in the Acquired Entities’ records pertaining to past and current employees of the Acquired Entities. The Sponsor shall maintain and protect the privacy of such information in accordance with applicable law and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by the Just Energy Entities prior to the Effective Time.

10. **THIS COURT ORDERS AND DECLARES** that, at the Effective Time and without limiting the provisions of paragraph 5 hereof, the Sponsor and the Acquired Entities shall be deemed released from any and all claims, liabilities (direct, indirect, absolute or contingent) or obligations with respect to any Taxes (including penalties and interest thereon) of, or that relate to, the Just Energy Entities (provided, as it relates to the Sponsor and the Acquired Entities, such release shall not apply to (a) Taxes in respect of the business and operations conducted by the Acquired Entities after the Effective Time; or (b) Taxes expressly assumed as Assumed Liabilities pursuant to the Transaction Agreement), including, without limiting the generality of the foregoing, all Taxes that could be assessed against the Sponsor or the Acquired Entities (including its affiliates and any predecessor corporations) pursuant to section 160 of the *Income Tax Act* (Canada) (the “*Tax Act*”), or proposed section 160.01 of the Tax Act, including as a result of any future amendments or proposed amendments to such provisions or related provisions, or any provincial equivalent, in connection with the Just Energy Entities.

11. **THIS COURT ORDERS** that, except to the extent expressly contemplated by the Transaction Agreement (and, for greater clarity, excluding Contracts relating to Assumed Liabilities, including the Credit Facility Documents), all Contracts to which any of the Acquired Entities are a party upon delivery of the Monitor’s Certificate will be and remain in full force and effect upon and following delivery of the Monitor’s Certificate and no individual, firm,
corporation, governmental body or agency, or any other entity (all of the foregoing, collectively being “Persons” and each being a “Person”) who is a party to any such arrangement may accelerate, terminate, rescind, refuse to perform or otherwise repudiate its obligations thereunder, or enforce or exercise any right (including any right of set-off, dilution or other remedy) or make any demand under or in respect of any such arrangement and no automatic termination will have any validity or effect, by reason of:

(a) any event that occurred on or prior to the Effective Time and is not continuing that would have entitled such Person to enforce those rights or remedies (including defaults or events of default arising as a result of the insolvency of any Just Energy Entity);

(b) the insolvency of any Just Energy Entity or the fact that the Just Energy Entities sought or obtained relief under the CCAA;

(c) any compromises, releases, discharges, cancellations, transactions, arrangements, reorganizations or other steps taken or effected pursuant to the Transaction Agreement, the Transactions or the provisions of this Order, or any other Order of this Court in these CCAA proceedings; or

(d) any transfer or assignment, or any change of control of the Acquired Entities arising from the implementation of the Transaction Agreement, the Transactions or the provisions of this Order.

12. **THIS COURT ORDERS**, for greater certainty, that (a) nothing in paragraph 11 hereof shall waive, compromise or discharge any obligations of the Acquired Entities or the Sponsor in
respect of any Assumed Liabilities; (b) the designation of any Claim as an Assumed Liability is without prejudice to the Acquired Entities’ and the Sponsor’s right to dispute the existence, validity or quantum of any such Assumed Liability; and (c) nothing in this Order or the Transaction Agreement shall affect or waive the Acquired Entities’ or Sponsor’s rights and defences, both legal and equitable, with respect to any Assumed Liability, including, but not limited to, all rights with respect to entitlements to set-offs or recoupments against such Assumed Liability.

13. **THIS COURT ORDERS** that, from and after the Effective Time, all Persons shall be deemed to have waived any and all defaults of any Just Energy Entity then existing or previously committed by any Just Energy Entity, or caused by any Just Energy Entity, directly or indirectly, or noncompliance with any covenant, warranty, representation, undertaking, positive or negative pledge, term, provision, condition or obligation, expressed or implied, in any Contract, existing between such Person and any Acquired Entity directly or indirectly from the filing by the Applicants under the CCAA and the implementation of the Transactions, including without limitation any of the matters or events listed in paragraph 11 hereof, and any and all notices of default and demands for payment or any step or proceeding taken or commenced in connection therewith under a Contract shall be deemed to have been rescinded and of no further force or effect; provided that, nothing herein shall be deemed to excuse the Sponsor or the Just Energy Entities from performing their obligations under, or be a waiver of defaults by the Sponsor or Just Energy under, the Transaction Agreement and the related agreements and documents, or affect the validity of the Implementation Steps.

14. **THIS COURT ORDERS** that, from and after the Effective Time, any and all Persons shall be and are hereby forever barred, estopped, stayed and enjoined from commencing, taking, applying for or issuing or continuing any and all steps or proceedings, whether directly,
derivatively or otherwise, and including without limitation, administrative hearings and orders, declarations and assessment, commenced, taken or proceeded with or that may be commenced, taken or proceeded with against the Sponsor or the Acquired Entities relating in any way to or in respect of any Excluded Assets, Excluded Contracts or Excluded Liabilities and any other claims, obligations and other matters which are waived, released, expunged or discharged pursuant to this Order.

15. **THIS COURT ORDERS** that, from and after the Effective Time:

   (a) the nature of the Assumed Liabilities assumed by the Sponsor or retained by the Acquired Entities, including, without limitation, their amount and their secured or unsecured status, shall not be affected or altered as a result of the Transactions or this Order;

   (b) the nature of the Excluded Liabilities, including, without limitation, their amount and their secured or unsecured status, shall not be affected or altered as a result of their transfer to Residual Co. 1 and Residual Co. 2, as applicable;

   (c) any Person that prior to the Effective Time had a valid right or claim against the Acquired Entities under or in respect of any Excluded Contract or Excluded Liability (each an “Excluded Liability Claim”) shall no longer have such right or claim against the Acquired Entities but will have an equivalent Excluded Liability Claim against Residual Co. 1 or Residual Co. 2, as applicable, in respect of the Excluded Contract and Excluded Liability from and after the Effective Time in its place and stead, and nothing in this Order limits, lessens or extinguishes the
Excluded Liability Claim of any Person as against Residual Co. 1 and/or Residual Co. 2; and

(d) the Excluded Liability Claim of any Person against Residual Co. 1 and/or Residual Co. 2 following the Effective Time shall have the same rights, priority and entitlement as such Excluded Liability Claim had against the applicable Acquired Entities prior to the Effective Time.

16. **THIS COURT ORDERS AND DECLARES** that, as of the Effective Time:

(a) Residual Co. 1 and Residual Co. 2 shall be companies to which the CCAA applies; and

(b) Residual Co. 1 and Residual Co. 2 shall be added as Applicants in these CCAA proceedings and all references in any Order of this Court in respect of these CCAA proceedings to (i) an “Applicant” or the “Applicants” shall refer to and include Residual Co. 1 and Residual Co. 2, *mutatis mutandis*, and (ii) “Property” shall include the current and future assets, licenses, undertakings and properties of every nature and kind whatsoever, and wherever situate, including all proceeds thereof, of Residual Co. 1 and Residual Co. 2, including the Remaining Proceeds (the “**Residual Co. Property**”), and, for greater certainty, each of the Charges, shall constitute charges on the Residual Co. Property.

**PRIORITY PAYMENTS**

17. **THIS COURT ORDERS AND DIRECTS** that the Priority Payments Amount and the Cash Purchase Price, as necessary and as permitted by the Transaction Agreement, shall be
distributed by Just Energy, on behalf of one or more of the Just Energy Entities, on the Closing Date consistent with the Implementation Steps, to satisfy the following obligations (collectively, the “Priority Payments”):

(a) first, to the beneficiaries of the Administration Charge and the FA Charge, the amounts necessary to satisfy the Just Energy Entities’ obligations secured thereby up to the maximum respective amounts secured by such charges, in full and final satisfaction thereof;

(b) second, to the beneficiaries of the KERP Charge, the amounts necessary to satisfy the Just Energy Entities’ obligations secured thereby (if any) up to the maximum amount secured by such charge, in full and final satisfaction thereof;

(e) fifth, to the Credit Facility Agent, in the currency that such Credit Facility Claim was originally denominated, an amount equal to the Credit Facility Claim (less the Credit Facility Remaining Debt, if any), in full and final satisfaction thereof.
18. **THIS COURT ORDERS** that, subject to completion of the Priority Payments set out in paragraph 17 hereof, the FA Charge, the Directors’ Charge, the KERP Charge, the DIP Lenders’ Charge and the Cash Management Charge shall be and are hereby terminated, released and discharged.

19. **THIS COURT ORDERS** that the Administrative Expense Amount held by the Monitor shall be subject to the Administration Charge, and any remaining portion thereof after payment of the Administrative Expense Costs shall be paid to Just Energy in accordance with the terms of the Transaction Agreement.

21. **THIS COURT ORDERS** that, effective as of the Effective Time, the Released Parties shall be deemed to be forever irrevocably released by each of the Just Energy Entities and their respective current and former affiliates, and discharged from, any and all Released Claims held by the Just Energy Entities and such current and former affiliates as of the Effective Time, which Released Claims shall be deemed to be fully, finally, irrevocably and forever waived, discharged, released, cancelled and barred as against the Released Parties; provided that, nothing in this paragraph shall waive, discharge, release, cancel or bar (a) any claim that is not permitted to be released pursuant to section 5.1(2) of the CCAA; or (b) any obligations of any of the Released Parties under or in connection with the Transaction Agreement, the Closing Documents, the Support Agreement, the Definitive Documents, and/or any agreement, document, instrument, matter or transaction involving the Just Energy Entities arising in connection with or pursuant to any of the foregoing; provided further that, the releases set forth in this paragraph shall not include, nor limit or modify in any way, any claim (or any defenses) which any of the Just Energy Entities may hold or be entitled to assert against any Released Party as of the Effective Time relating to any contracts, leases, agreements, licenses, bank accounts or banking relationships, accounts receivable, invoices, or other ordinary course obligations which are remaining in effect following the Effective Time.
22. **THIS COURT ORDERS** that, without affecting or limiting the releases set forth in paragraphs 20 and 21 hereof, effective as of the Effective Time, none of (a) the current and former directors, officers, employees, legal counsel and advisors of the Just Energy Entities (or any of them); (b) the Monitor and its legal counsel; (c) the Sponsor and their respective current and former directors, officers, employees, legal counsel and advisors; and (d) the Credit Facility Agent and the Credit Facility Lenders, and their respective current and former directors, officers, employees, legal counsel and advisors (in such capacities, collectively, the “Exculpated Parties”), shall have or incur, and each Exculpated Party is released and exculpated from, any Causes of Action (as hereinafter defined) against such Exculpated Party for any act or omission in respect of, relating to, or arising out of the Transaction Agreement, the Closing Documents, the Support Agreement, the Definitive Documents and/or the consummation of the Transactions, these CCAA proceedings, the Chapter 15 Cases, the formulation, preparation, dissemination, negotiation, filing or consummation of the Transaction Agreement, the Closing Documents, the Support Agreement, the Definitive Documents and all related agreements and documents, any transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Transactions, the pursuit of approval and consummation of the Transactions or the recognition thereof in the United States, and/or the transfer of assets and liabilities pursuant to this Order, except for Causes of Action related to any act or omission that is determined in a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Exculpated Parties shall be entitled to reasonably rely upon the advice of counsel with respect to their applicable duties and responsibilities. “Causes of Action” means any action, claim, cross-claim, third-party claim, damage, judgment, cause of action, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power,

Transactions; and any such proceedings will be deemed to have no further effect against such parties and will be released, discharged or vacated without cost.

26. **THIS COURT ORDERS** that nothing in this Order, including the release of the Acquired Entities from the purview of these CCAA proceedings pursuant to paragraph 5(f) hereof and the addition of Residual Co. 1 and Residual Co. 2 as Applicants in these CCAA proceedings, shall affect, vary, derogate from, limit or amend, and FTI shall continue to have the benefit of, any and all rights and approvals and protections in favour of the Monitor at law or pursuant to the CCAA, the Initial Order, this Order, any other Orders in these CCAA proceedings or otherwise, including all approvals, protections and stays of proceedings in favour of FTI in its capacity as Monitor, all of which are expressly continued and confirmed.

commodity suppliers under the Existing Intercreditor Agreement

- If the Tenth ARCA requires mandatory reductions in the commitments thereunder (other than in the case of the termination of the commitments as a result of an Event of Default)

5, and as a result of such commitment reductions (i) the aggregate face amount of the letters of credit then outstanding under the credit facilities exceeds the reduced commitments of the Lenders under such credit facilities (such excess, the “LC Deficiency Amount”), and (ii) as a consequence the Obligors are required to provide cash collateral to the Agent (for the benefit of the Lenders) to secure the obligations of the Obligors relating to such letters of credit in the amount of the LC Deficiency Amount, then the Agent and the Lenders shall have priority in such cash collateral (unless and until such collateral is returned to the Obligors in accordance with the Tenth ARCA) in an amount not to exceed such LC Deficiency Amount. For the avoidance of doubt, the foregoing provision shall apply only for so long as the Tenth ARCA is in effect, and

5 The Tenth ARCA will have two categories of mandatory commitment reduction: (i) commitment reductions based on excess cash flow, and (ii) commitment reductions using proceeds from asset dispositions. The definitive Intercreditor Agreement will make reference to specific sections of the Tenth ARCA relating to those commitment reduction requirements.

Management Incentive Plan
MANAGEMENT COMPENSATION ARRANGEMENTS

The following summarizes the principal post-Closing related management compensation arrangements for Just Energy (U.S.) Corp. (the “Company”).

Overview:

**General.** The Company (or its successor if converted into another entity prior to the Closing in accordance with the Implementation Steps) (the “Issuer”) will adopt a Management Incentive Plan (the “MIP”) in connection with the transactions contemplated in the Support Agreement and the Stalking Horse Transaction Term Sheet to which this term sheet is attached as an exhibit on the terms and conditions set forth herein on the Closing Date. Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the Support Agreement and Stalking Horse Transaction Term Sheet.

**Incentive Equity Pool.** The Issuer will reserve exclusively for employees of the Company and its subsidiaries and members of the Board of Directors (such reserve, the “MIP Pool”) a pool of shares of common equity (“Common Stock”) of Issuer representing 10% of Issuer’s Common Stock, determined on a fully diluted and fully distributed basis (i.e., assuming conversion of all outstanding convertible securities and full distribution of the MIP Pool).

**Closing Date Grants.** Closing Date Grants equal to 50% of the MIP Pool will be granted to management employees upon the Closing Date in the form of restricted stock units (“RSUs”) and performance stock units (“PSUs”) in accordance with this Term Sheet and the allocations indicated in Exhibit A (“Closing Date Grants”). Closing Date Grants will be made 40% in the form of RSUs and 60% in the form of PSUs and will have customary dividend equivalent rights.

**Future Grants.** The Company will make future equity grants as determined by the post-Closing Board of Directors.

**RSUs**

**Normal Vesting.** Subject to an Executive’s continued employment, the RSU component of the Closing Date Grants will vest ratably on each of the first four (4) anniversaries of the Closing Date.

**Accelerated Vesting Upon Termination.** If an Executive is terminated without “cause” (as defined below) or terminates for “good reason” (as defined below) or due to death or disability, the Executive will be credited with vesting service to the next normal vesting date.

**Accelerated Vesting Upon a Change in Control or Public Listing.** Upon a Change of Control or Public Listing of the Company, 100% of an Executive’s unvested RSU component of the Closing Date Grants will accelerate and vest.

**Accelerated Vesting Upon a Sale of Common Shares by the Sponsor.** If any affiliated entities of the Sponsor (a “Sponsor Entity”) sell any common equity in an amount that does not trigger a Change of Control at any time that exceeds an aggregate of 20% of the fully diluted outstanding common equity in one or a series of related transactions, an amount, if any, of the Executive’s RSUs shall vest at the closing of the sale by the Sponsor Entity to bring the aggregate percentage of the Executive’s RSUs that have vested to be the same as the same

---

1. To participate in the MIP, each executive listed in Exhibit A will agree to waive their change of control provisions in their respective agreements with respect to and only in relation to the transactions being contemplated by the Support Agreement.

2. “Change of Control” definition will be a customary incentive plan definition with greater than 50% stock acquisition, merger with greater than 50% ownership change and sale of all/substantially all asset.

3. Public Listing will be defined to mean an IPO, direct listing, or de-SPAC transaction.
percentage of common shares that have been sold, in aggregate, by the Sponsor Entity.

**PSUs**

Vesting. PSUs will be subject to both time and performance vesting. PSUs will time vest on the same basis as RSUs, including upon a Change of Control or Public Listing, or sale of common shares by the Sponsor Entities. PSUs will performance vest in accordance with the following table, with linear interpolation applied for performance between MoM tiers:

**Determination of MoM.** The MoM is determined at the first to occur of a Change of Control or Public Listing by dividing the Per Share Transaction Value by the Per Share Closing Date Value.

**Certain Terminations.** Upon a termination of employment: (i) for any reason (including due to Executive’s disability) other than by the Company for Cause, (ii) by the Executive for Good Reason, or (iii) due to the Executive’s death, the Executive will be credited with vesting service to the next normal vesting date and PSUs that have time vested (the “Contingent PSUs”) shall remain outstanding and eligible to vest upon achievement of the applicable performance conditions until the first anniversary of such termination. Upon a termination for Cause or a material violation of a restrictive covenant to which an Executive has agreed to be subject that is not cured within 30 days of written notice from the Company, all PSUs and RSUs, whether or not vested, shall terminate without consideration.

**Distributions.** PSUs will be settled within 10 business days after vesting. Vested RSUs will be settled upon the first to occur of (i) an Executive’s separation from service (ii) a Change of Control, or (iii) the fifth anniversary of the Closing Date.

**Taxes:** Participants may satisfy applicable withholdings for taxes and other amounts incurred in connection with settlement either through net share settlement or by voluntarily surrendering a portion of the Award equivalent in value to the amount to be withheld.

4 The fair market value of a share of common stock based (i) on the per share transaction price in a Change of Control, subject to any holdbacks and other contingent consideration or (ii) the 10-day VWAP immediately following an initial public listing, in each case taking into account any post-Closing Date prior dividends and distributions.

5 The common equity value of the Company expressed on a per common share basis taking into account outstanding common shares, Closing Date Grants and other instruments, if any, convertible into common stock and stock splits, consolidations and other similar events. The final documents will include customary dispute resolutions procedures regarding equity valuations. The Per Share Closing Date Value will be determined promptly after the Vesting Order is obtained.
Severance: The executives listed on Exhibit A will be provided cash severance benefits upon a termination (i) for a reason other than “cause”\(^6\) or (ii) due to “good reason”\(^6\) as follows:

- On or before the first anniversary of the Closing Date: \(1.5 \times\) the Executive’s existing severance payment in their respective employment agreement.

- After the first anniversary of the Closing Date and before a Change of Control: as per the terms of the Constructive Dismissal or Termination by the Company without Good Cause language in the executive’s respective employment agreement.

- Within 24 months after a post-Closing Date Change of Control: as per the terms of the Change of Control language in the executive’s respective employment agreement.

Executives’ employment agreements will be amended to reflect the foregoing effective as of the Closing Date.

| Indemnity | On or before Closing, Issuer shall enter into a new indemnity agreement, with each member of management having substantially similar terms to the existing agreement.\(^7\) |
| Final Documentation | The final documentation related to the forgoing matters will not contain any covenants that impose material restrictions, limitations or additional obligations on an Executive that are not set forth herein. |

---

\(^6\) As defined in the Employment Agreement.

\(^7\) Current Indemnity Agreements are provided by Just Energy Group Inc. (“JEGI”) on its and its subsidiaries behalf. As of closing, JEGI will be a subsidiary of the Company and its subsidiaries will only be the Canadian subsidiaries. Accordingly, the Company needs to provide indemnity agreements on its behalf and on behalf of all its subsidiaries.

SISP
Sale and Investment Solicitation Process

1. On August 17, 2022, the Ontario Superior Court of Justice (Commercial List) (the “Court”) granted an order (the “SISP Order”) that, among other things, (a) authorized Just Energy (as defined below) to implement a sale and investment solicitation process (“SISP”) in accordance with the terms hereof, (b) approved the Support Agreement, (c) authorized and directed Just Energy Group Inc. to enter into the Stalking Horse Transaction Agreement, (d) approved the Break-Up Fee, and (e) granted the Bid Protections Charge. 2. This SISP sets out the manner in which (i) binding bids for executable transaction alternatives that are superior to the sale transaction to be provided for in the Stalking Horse Transaction Agreement involving the shares and/or the business and assets of Just Energy Group Inc. and its direct and indirect subsidiaries (collectively, “Just Energy”) will be solicited from interested parties, (ii) any such bids received will be addressed, (iii) any Successful Bid (as defined below) will be selected, and (iv) Court (as defined below) approval of any Successful Bid will be sought. Such transaction alternatives may include, among other things, a sale of some or all of Just Energy’s shares, assets and/or business and/or an investment in Just Energy, each of which shall be subject to all terms set forth in this SISP.

3. The SISP shall be conducted by Just Energy under the oversight of FTI Consulting Canada Inc., in its capacity as court-appointed monitor (the “Monitor”), with the assistance of BMO Capital Markets (the “Financial Advisor”).

4. Parties who wish to have their bids considered shall be expected to participate in the SISP as conducted by Just Energy and the Financial Advisor.

5. The SISP will be conducted such that Just Energy and the Financial Advisor will (under the oversight of the Monitor):

   a) prepare marketing materials and a process letter;
   b) prepare and provide applicable parties with access to a data room containing diligence information;
   c) solicit interest from parties to enter into non-disclosure agreements (parties shall only obtain access to the data room and be permitted to participate in the SISP if they execute a non-disclosure agreement that is in form and substance satisfactory to Just Energy); and
   d) request that such parties (other than the Sponsor or its designee) submit (i) a notice of intent to bid that identifies the potential purchaser and a general description of the assets and/or business(es) of the Just Energy Entities that would be the subject of the bid and that reflects a reasonably likely prospect of culminating in a Qualified Bid (as defined below), as determined by the Just Energy Entities in consultation with the Monitor and the Credit Facility Agent (subject to the confidentiality requirements set forth in Section 15 below) (a “NOI”) by the NOI Deadline (as defined below) and, if applicable, (ii) a binding offer meeting at least the requirements set forth in Section 7 below, as determined by the Just Energy Entities in consultation with the Monitor (a “Qualified Bid”) by the Qualified Bid Deadline (as defined below).
6. The SISP shall be conducted subject to the terms hereof and the following key milestones:

   a) Just Energy to commence solicitation process on the date of service of the motion for approval of the SISP – August 4, 2022;\(^1\)
   b) Court approval of SISP and authorizing Just Energy to enter into the Stalking Horse Transaction Agreement – August 17, 2022;
   c) Deadline to submit NOI – 11:59 p.m. Eastern Daylight Time on August 25, 2022 (the “NOI Deadline”);
   d) Deadline to submit a Qualified Bid – 11:59 p.m. Eastern Daylight Time on September 29, 2022 (the “Qualified Bid Deadline”);
   e) Deadline to determine whether a bid is a Qualified Bid and, if applicable, to notify those parties who submitted a Qualified Bid of the Auction (as defined below) – 5:00 p.m. Eastern Daylight Time on October 6, 2022;
   f) Just Energy to hold Auction (if applicable) – 10:00 a.m. Eastern Daylight Time on October 8, 2022; and
   g) Implementation Order (as defined below) hearing:
      o (if no NOI is submitted) – by no later than September 2, 2022, subject to Court availability.
      o (if there is no Auction) – by no later than October 15, 2022, subject to Court availability.
      o (if there is an Auction) – by no later than twelve (12) days after completion of the Auction, subject to Court availability.

7. In order to constitute a Qualified Bid, a bid must comply with the following:

   a. it provides for (i) the payment in full in cash on closing of the BP Commodity/ISO Services Claim (as defined in the Support Agreement), unless otherwise agreed to by the holder of such claim in its sole discretion; (ii) the payment in full in cash on closing of the Credit Facility Claims, unless otherwise agreed to by the Credit Facility Agent in its sole discretion; (iii) the payment in full in cash on closing of any claims ranking in priority to the claims set forth in subparagraphs (i) or (ii) including any claims secured by Court-ordered charges, unless otherwise agreed to by the applicable holders thereof in their sole discretion; (iv) the return of all outstanding letters of credit and release of all Credit Facility LC Claims or arrangements satisfactory to the applicable Credit Facility Lenders in their discretion to secure with cash collateral or otherwise any Credit Facility LC Claims not released, and (v) the payment in full in cash on closing of any outstanding Cash Management Obligations or arrangements satisfactory to the applicable Credit Facility Lenders or their affiliates to secure with cash collateral or otherwise any outstanding Cash Management Obligations.

   b. it provides a detailed sources and uses schedule that identifies, with specificity, the amount of cash consideration (the “Cash Consideration Value”) and any assumptions that could reduce the net consideration payable. At a minimum, the Cash Consideration Value plus Just Energy’s cash on hand must be sufficient for payment in full of the items contemplated in Sections 7(a)(i) and 7(a)(ii) herein, 3.2 of the Stalking Horse Transaction Agreement and the Break-Up Fee, plus USD$1,000,000, on closing, which Cash Consideration Value is estimated to be USD$460,000,000 as of December 31, 2022.

\(^1\) To the extent any dates would fall on a non-business day, to be the first business day thereafter.
c. it is reasonably capable of being consummated by 90 days after completion of the Auction if selected as the Successful Bid;

d. it contains:

i. duly executed binding transaction document(s);

ii. the legal name and identity (including jurisdiction of existence) and contact information of the bidder, full disclosure of its direct and indirect principals, and the name(s) of its controlling equityholder(s);

vi. such other information reasonably requested by Just Energy or the Monitor;

e. it includes a letter stating that the bid is submitted in good faith, is binding and is irrevocable until the selection of the Successful Bid; provided, however, that if such bid is selected as the Successful Bid, it shall remain irrevocable until the closing of the Successful Bid;

f. it provides written evidence of a bidder’s ability to fully fund and consummate the transaction and satisfy its obligations under the transaction documents, including binding equity/debt commitment letters and/or guarantees covering the full value of all cash consideration and the additional items (in scope and amount) covered by the guarantees provided by affiliates of the Purchaser in connection with the Transaction Agreement;

g. it does not include any request for or entitlement to any break fee, expense reimbursement or similar type of payment;

h. it is not conditional upon:

i. approval from the bidder’s board of directors (or comparable governing body) or equityholder(s);

ii. the outcome of any due diligence by the bidder; or

iii. the bidder obtaining financing;

i. it includes an acknowledgment and representation that the bidder has had an opportunity to conduct any and all required due diligence prior to making its bid;

j. it specifies any regulatory or other third-party approvals the party anticipates would be required to complete the transaction (including the anticipated timing necessary to obtain such approvals) and, in connection therewith, specifies whether the bidder or any of its affiliates is involved in any part of the energy sector, including an electric utility, retail service provider, a company with a tariff on file with the Federal Energy Regulatory Commission, or any intermediate holding company;

k. it includes full details of the bidder’s intended treatment of Just Energy’s employees under the proposed bid;

l. it is accompanied by a cash deposit (the “Deposit”) by wire transfer of immediately available funds equal to 10% of the Cash Consideration Value, which Deposit shall be retained by the Monitor in a non-interest bearing trust account in accordance with this SISP;

n. it is received by the Qualified Bid Deadline.
8. The Qualified Bid Deadline may be extended by (i) Just Energy for up to no longer than seven days with the consent of the Monitor, the Credit Facility Agent and the Sponsor, acting reasonably, or (ii) further order of the Court. In such circumstances, the milestones contained in Subsections 6(f) and (g) shall be extended by the same amount of time.

9. Just Energy, in consultation with the Monitor, may waive compliance with any one or more of the requirements specified in Section 7 above and deem a non-compliant bid to be a Qualified Bid, provided that Just Energy shall not waive compliance with the requirements specified in Subsections 7(a), (b), (e), (c), (g), (h), (j) or (l) without the prior written consent of the Sponsor and Credit Facility Agent, each acting reasonably.

10. Notwithstanding the requirements specified in Section 7 above, the transactions contemplated by the Stalking Horse Transaction Agreement (the “Stalking Horse Transaction”), is deemed to be a Qualified Bid, provided that, for greater certainty, no Deposit shall be required to be submitted in connection with the Stalking Horse Transaction.

11. If one or more Qualified Bids (other than the Stalking Horse Transaction) has been received by Just Energy on or before the Qualified Bid Deadline, Just Energy shall proceed with an auction process to determine the successful bid(s) (the “Auction”), which Auction shall be administered in accordance with Schedule “A” hereto. The successful bid(s) selected within the Auction shall constitute the “Successful Bid”. Forthwith upon determining to proceed with an Auction, Just Energy shall provide written notice to each party that submitted a Qualified Bid (including the Stalking Horse Transaction), along with copies of all Qualified Bids and a statement by Just Energy specifying which Qualified Bid is the leading bid.

12. If, by the NOI Deadline no NOI has been received, then the SISP shall be deemed to be terminated and the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Transaction Agreement. If no Qualified Bid (other than the Stalking Horse Transaction) has been received by Just Energy on or before the Qualified Bid Deadline, then the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the Support Agreement and the Stalking Horse Transaction Agreement.

13. Following selection of a Successful Bid, Just Energy, with the assistance of its advisors, shall seek to finalize any remaining necessary definitive agreement(s) with respect to the Successful Bid in accordance with the key milestones set out in Section 6. Once the necessary definitive agreement(s) with respect to a Successful Bid have been finalized, as determined by Just Energy, in consultation with the Monitor, Just Energy shall apply to the Court for an order or orders approving such Successful Bid and/or the mechanics to authorize Just Energy to complete the transactions contemplated thereby, as applicable, and authorizing Just Energy to (i) enter into any and all necessary agreements and related documentation with respect to the Successful Bid, (ii) undertake such other actions as may be necessary to give effect to such Successful Bid, and (iii) implement the transaction(s) contemplated in such Successful Bid (each, an “Implementation Order”).

14. All Deposits shall be retained by the Monitor in a non-interest bearing trust account. If a Successful Bid is selected and an Implementation Order authorizing the consummation of the transaction contemplated thereunder is granted, any Deposit paid in connection with such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid,
will be returned to the applicable bidder as soon as reasonably practicable (but not later than ten (10) business days) after the date upon which the Successful Bid is approved pursuant to an Implementation Order or such earlier date as may be determined by Just Energy, in consultation with the Monitor.

15. Just Energy shall provide information in respect of the SISP to the DIP Lenders, the holder of the BP Commodity/ISO Services Claim and the Supporting Secured CF Lenders on a confidential basis, including (A) copies (or if not provided to the Just Energy Entities in writing, a detailed description) of any NOI and any bid received, including any Qualified Bid, no later than one (1) calendar day following receipt thereof by the Just Energy Entities or their advisors and (B) such other information as reasonably requested by the DIP Lenders’, the holder of the BP Commodity/ISO Services Claim or the Supporting Secured CF Lenders’ respective legal counsel or financial advisors or as necessary to keep the DIP Lenders, the holder of the BP Commodity/ISO Services Claim or the Supporting Secured CF Lenders informed no later than one (1) calendar day after any such request or any material change to the proposed terms of any bid received, including any Qualified Bid, as to the terms of any bid, including any Qualified Bid, (including any changes to the proposed terms thereof) and the status and substance of discussions related thereto. Just Energy shall be permitted, in its discretion, to provide general updates and information in respect of the SISP to counsel to any unsecured creditor of Just Energy (a “General Unsecured Creditor”) on a confidential basis, upon: (i) the irrevocable confirmation in writing from such counsel that the applicable General Unsecured Creditor will not submit any NOI or bid in the SISP, and (ii) counsel to such General Unsecured Creditor executing confidentiality agreements with Just Energy, in form and substance satisfactory to Just Energy and the Monitor.

16. Any amendments to this SISP may only be made by Just Energy with the written consent of the Monitor and after consultation with the Credit Facility Agent, or by further order of the Court, provided that Just Energy shall not amend Subsections 7(a), (b), (e), (f), (g), (h), (j) or (l) or Section 15 without the prior written consent of the Sponsor and the Credit Facility Agent.
SCHEDULE “A”: AUCTION PROCEDURES

1. **Auction.** If Just Energy receives at least one Qualified Bid (other than the Stalking Horse Transaction), Just Energy will conduct and administer the Auction in accordance with the terms of the SISP. Instructions to participate in the Auction, which will take place via video conferencing, will be provided to Qualified Parties (as defined below) not less than 24 hours prior to the Auction.

2. **Participation.** Only parties that provided a Qualified Bid by the Qualified Bid Deadline, including the Stalking Horse Transaction (collectively, the “Qualified Parties”), shall be eligible to participate in the Auction. No later than 5:00 p.m. Eastern Daylight Time on the day prior to the Auction, each Qualified Party (other than the Sponsor) must inform Just Energy whether it intends to participate in the Auction. Just Energy will promptly thereafter inform in writing each Qualified Party who has expressed its intent to participate in the Auction of the identity of all other Qualified Parties that have indicated their intent to participate in the Auction. If no Qualified Party provides such expression of intent, the Stalking Horse Transaction shall be the Successful Bid.

3. **Auction Procedures.** The Auction shall be governed by the following procedures:

   a. **Attendance.** Only Just Energy, the other counterparties to the Support Agreement, the Qualified Parties, the Monitor and each of their respective advisors will be entitled to attend the Auction, and only the Qualified Parties will be entitled to make any subsequent Overbids (as defined below) at the Auction;

   b. **No Collusion.** Each Qualified Party participating at the Auction shall be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the Auction and the bid process; and (ii) its bid is a good-faith bona fide offer and it intends to consummate the proposed transaction if selected as the Successful Bid (as defined below);

   c. **Minimum Overbid.** The Auction shall begin with the Qualified Bid that represents the highest or otherwise best Qualified Bid as determined by Just Energy, in consultation with the Monitor (the “Initial Bid”), and any bid made at the Auction by a Qualified Party subsequent to Just Energy’s announcement of the Initial Bid (each, an “Overbid”), must proceed in minimum additional cash increments of USD$1,000,000;

   d. **Bidding Disclosure.** The Auction shall be conducted such that all bids will be made and received in one group video-conference, on an open basis, and all Qualified Parties will be entitled to be present for all bidding with the understanding that the true identity of each Qualified Party will be fully disclosed to all other Qualified Parties and that all material terms of each subsequent bid will be fully disclosed to all other Qualified Parties throughout the entire Auction; provided, however, that Just Energy, in its discretion, may establish separate video conference rooms to permit interim discussions between Just Energy and individual Qualified Parties with the understanding that all formal bids will be delivered in one group video conference, on an open basis;

   e. **Bidding Conclusion.** The Auction shall continue in one or more rounds and will conclude after each participating Qualified Party has had the opportunity to submit one or more additional bids with full knowledge and written confirmation of the then-existing highest bid(s); and
f. **No Post-Auction Bids.** No bids will be considered for any purpose after the Auction has concluded.

**Selection of Successful Bid**

4. **Selection.** Before the conclusion of the Auction, Just Energy, in consultation with the Monitor, will: (a) review each Qualified Bid, considering the factors set out in Section 7 of the SISP and, among other things, (i) the amount of consideration being offered and, if applicable, the proposed form, composition and allocation of same, (ii) the value of any assumption of liabilities or waiver of liabilities not otherwise accounted for in prong (i) above; (iii) the likelihood of the Qualified Party’s ability to close a transaction by 90 days after completion of the Auction and the timing thereof (including factors such as the transaction structure and execution risk, including conditions to, timing of, and certainty of closing; termination provisions; availability of financing and financial wherewithal to meet all commitments; and required governmental or other approvals), (iv) the likelihood of the Court’s approval of the Successful Bid, (v) the net benefit to Just Energy and (vi) any other factors Just Energy may, consistent with its fiduciary duties, reasonably deem relevant; and (b) identify the highest or otherwise best bid received at the Auction (the “Successful Bid” and the Qualified Party making such bid, the “Successful Party”).

5. **Acknowledgement.** The Successful Party shall complete and execute all agreements, contracts, instruments or other documents evidencing and containing the terms and conditions upon which the Successful Bid was made within one business day of the Successful Bid being selected as such, unless extended by Just Energy in its sole discretion, subject to the milestones set forth in Section 6 of the SISP.
